collection advantages

distinctive back line

Corr is a comfortable, full-size swivel chair. It is distinguished by its original backrest panel, which makes the chair look unique and provides a comfortable working position.

high quality components

The high quality of Italian components is a guarantee not only of the chair's durability, while keeping a very good price/quality ratio, but also of its sophisticated lightweight design.

proven ergonomics

Corr office chairs meet the requirements of international standards for ergonomics and safety of office furniture.
