

epocc

EP HN

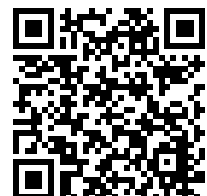

: product card

The Epocc chairs prove that design, like history, likes to come full circle. The minimalist design and the possibility of upholstering one chair in two different colours make it possible to create a modern piece of furniture with soul.

bejot:

collection advantages

tailor to your needs

Hockers are available in two heights, allowing you to add variety to your interior design.

easy mobility

The special handle at the back of the backrest makes it easy to move the chair to any location.
