collection advantages

Build an interior

The Legvan is our most iconic collection of the modular sofas designed for the communication zones and public interior spaces. A wide range of the modules allows for free creating even the most difficult spaces.

Take care of good relationships

The extensive surfaces of seats and backrest give the interior a sense of calm, neutralise the tensions associated with a flow of people in the public interiors and facilitate maintaining positive relations between the people who do not know to each other.

technical data
LG 421

Standard ●
Option ○
