avantages de la collection

A classic in a mini version

Ox:co is an extremely popular collection which became a permanent fixture in our clients' offices, homes and hotels. The mini version is a well-known design in a smaller bucket.

With its new size, the armchair takes up less space, is lighter and thus more mobile. Ox:co small is the perfect balance between design, functionality and price.

High and low benches

Two-person seats mounted on bases consistent with other products in the collection.

Using benches instead of chairs allows you to build a less formal atmosphere conducive to building good interpersonal relationships.

Ox:co small bench is a timeless design with character. They are perfect for public spaces, office relaxation areas and canteens.
